Independent experts

Housekeeping

- Please note that this meeting will be recorded.
- Please make sure your audio and microphone are working.
- Keep you microphone muted if you are not speaking.
- Keep you camera off. Only turn on when speaking if your broadband allows.
- Questions and comments can be posted on the chat box.
- Use the raise hand function to ask for the floor.

Programme of work

- Organised over 4 half-days.
- Short and action oriented sessions.
- Guiding questions for discussions.
- Can submit written comments, too.
- Background materials available in the SharePoint folder (agenda, discussion paper, presentations, etc).

Main objective

- Agreeing on the conceptual framework, accompanying definitions that will make the foundation of the revision of the current recommendations on statistics of international migration.
- Agreeing on key data and indicators on international migration that are relevant for formulation and monitoring of policies.
- Outcomes of the meeting will be reported to the Statistical Commission for discussion
