

Gender and climate change statistics

Inter-Agency and Expert Group on Gender Statistics (IAEG-GS)
18th Meeting
Session 1.B

Iliana Vaca Trigo
Statistician
Social and Gender Statistics Section
United Nations Statistics Division

December 2024

Integrating a gender perspective into the work of the Statistical Commission

2020

(51st Statistical Commission)
"Requested that a gender perspective be adopted and integrated into all the agenda items of the Commission, as is, for example, the current practice in the Statistical Conference of the Americas"
(51/115 (b))

2021

The IAEG-GS offered to take on the task of investigating how to integrate a gender perspective across the work of the Commission

A new Advisory Group on Mainstreaming a Gender Perspective into the work of the Statistical Commission was proposed

2022

(53st Statistical Commission)
Supported the proposal of the IAEG-GS to implement and monitor Commission decision 51/115, **working in collaboration with other subject-matter experts**
Emphasized the need for statistical offices' commitment at all levels and stages in the process of mainstreaming a gender perspective into the work of the Commission
Took note of **countries interested in actively participating and contributing in the upcoming discussions on this topic**
(53/111(f))

2023

(54st Statistical Commission)
Report of the Bureau on the working methods of the Statistical Commission – update on gender mainstreaming
UNSD and IAEG-GS undertook initial steps to mainstream gender into priority topics

Priority topic 1:
Business and trade statistics

Priority topic 2:
Climate change statistics

2024

(55st Statistical Commission)
Report to the Statistical Commission
Approved the note on mainstreaming a gender perspective into trade and business statistics and took note of **progress made on mainstreaming gender into climate change statistics**
(55/116 (e))

Integrating a gender perspective into the work of the Statistical Commission: Climate change statistics

Joint work of
