FOOTNOTES:

a/. Please indicate preliminary or provisional data with an asterisk (*).

b/. Specify definition of "total population": All persons who were in Zimbabwe on the 18th of August 1992

c/. Urban and rural should sum to the total population. Please give definitions of "urban" and "rural"

urban refers to any place with a compact settlement of buildings, water, roads, shops, persons and with 50% of persons engaged in non agricultural occupations. Some urban areas are also designated by the local government.
