* Provisional

Italic Estimates that are less reliable

a “Code” indicates the source of data, as follows:
  DF De facto
  DJ De jure
  SSDF Sample survey, de facto
  SSDJ Sample survey, de jure

♦ Data refer to 2017

1 Total resident population including common and collective households of nomadic population, and population counted separately.
2 Postcensal estimates.
3 Projections based on the 2013 Population Census.
4 Based on the results of the 2011 Population Census.
5 Data refer to national projections.
7 Excluding Mayotte.
8 Based on the results of the 2014 Population Census.
9 Estimates based on the results of 2015 population census.
12 Data refer to national projections based on 2007 census.
13 Estimates considering also the results of the 2007 Population Census.
14 Data based on the 2010 Population Census.
15 Population in households only.
16 Post-censal estimates based on the 2009 Population Census.
17 Data refer to Libyan nationals only.
18 Data refer to projections based on the 1993 Population Census.
19 Including nomadic population.
20 Excludes the islands of St. Brandon and Agalega.
21 Data refer to annual average population.
22 Projections based on the results of national survey on population and health conducted between 2010 and 2011, and especially population and housing census 2014.
23 Data are projections based on the 2008 Population and Housing Census.
24 Projections based on the 2012 Population Census.
25 Data refer to Saint Helenian resident population.
26 Data have not been adjusted for underenumeration, estimated at 7 per cent.
27 Comprising the Northern Region (former Saguia el Hamra) and Southern Region (former Rio de Oro).
28 Data refers to resident population adjusted for the undercount of 18 per cent and including the institutional population.
29 Bermuda is 100 per cent urban.
30 Based on the results of the 2016 Population Census.
31 To ensure confidentiality, the values, including totals are randomly rounded either up or down to a multiple of ’5’ or ’10.’ As a result, when these data are summed or grouped, the total value may not match the individual values since totals and sub-totals are independently rounded. Similarly, percentages, which are calculated on rounded data, may not necessarily add up to 100%.
32 Adjusted for census net undercoverage (including adjustment for incompletely enumerated Indian reserves).
33 Preliminary postcensal estimates.
34 Excluding the institutional population.
35 Data refer to 31 December.
36 Based on the national household survey of 2018.
37 Population statistics are compiled from registers.
38 Excluding data for Saint Barthélemy and Saint Martin.
39 Data refer to 1 January.
40 Projections based on the 2002 Population Census.
41 Projections produced by l’Institut Haïtien de Statistique et d’Informatique (IHSI) and the Latin American and Caribbean Demographic Centre (CELADE) - Population Division of ECLAC.
The figures represent the census counts adjusted for under-coverage. Adjustments are done by applying weights calculated (to 4 decimal places) for each sex and age group to the enumerated population when the tabulations are produced. Minor discrepancies between totals and the sum of the component parts of a table and minor discrepancies between the totals across tables are due to rounding after weights are applied.

Including an estimation of 1,334,585 persons corresponding to 448,195 housing units without information of the occupants.

The population projections of CONAPO (National Population Council).

Including armed forces stationed in the area.

Excluding residents of institutions.

Excluding U.S. Armed Forces overseas and civilian U.S. citizens whose usual place of residence is outside the United States.

Data include persons in remote areas, military personnel outside the country, merchant seamen at sea, civilian seasonal workers outside the country, and other civilians outside the country, and exclude nomads, foreign military, civilian aliens temporarily in the country, transients on ships and Indian jungle population.

Data are revised projections taking into consideration also the results of the 2005 census.

Excludes nomadic Indian tribes.

Excluding military personnel and their families, visitors and transients.

A dispute exists between the governments of Argentina and the United Kingdom of Great Britain and Northern Ireland concerning sovereignty over the Falkland Islands (Malvinas).

Estimates or projections considering also the results of the 2012 Population Census.

Data have not been adjusted for underenumeration and exclude an estimated population of 1,855,501 at the national level.

Data refer to 30 June.

Figures for male and female population do not add up to the figure for total population, because they exclude 108 homeless people of unknown sex.

Data refer to the settled population based on the 1979 Population Census and the latest household prelisting. The refugees of Afghanistan in Iran, Pakistan, and an estimated 1.5 million nomads, are not included.

Excluding nomad population.

Excluding 8408 tourists and foreigners.

Excluding foreign diplomatic personnel and their dependants.

For statistical purposes, the data for China do not include those for the Hong Kong Special Administrative Region (Hong Kong SAR), Macao Special Administrative Region (Macao SAR) and Taiwan province of China.

Data are from Communique of the National Bureau of Statistics of the People’s Republic of China on Major Figures of the 2010 Population Census (No.1).

Data have been estimated on the basis of the annual National Sample Survey on Population Changes.

Data are estimates from sample enquiry.

Data refer to Hong Kong resident population at the census moment, which covers usual residents and mobile residents. Usual residents refer to two categories of people: (1) Hong Kong permanent residents who had stayed in Hong Kong for at least three months during the six months before or for at least three months during the six months after the census moment, regardless of whether they were in Hong Kong or not at the census moment; and (2) Hong Kong non-permanent residents who were in Hong Kong at the census moment. Mobile Residents, they are Hong Kong permanent residents who had stayed in Hong Kong for at least one month but less than three months during the six months before or for at least one month but less than three months during the six months after the census moment, regardless of whether they were in Hong Kong or not at the census moment.

Data refer to government controlled areas.

Includes data for the Indian-held part of Jammu and Kashmir, the final status of which has not yet been determined.

Data refer to 1 March.

Data refer to projections based on the 2001 Population Census.

Data are based on the publication: “Indonesia Population Projection 2015-2045”

Data refer to the Iranian Year which begins on 21 March and ends on 20 March of the following year.

Excluding the population in three autonomous provinces in the north of the country.

Includes data for East Jerusalem and Israeli residents in certain other territories under occupation by Israeli military forces since June 1967.

Data are rounded for confidentiality reasons.

Data refer to Israeli citizens and permanent residents who are listed in the Population Register.

Excluding diplomatic personnel outside the country and foreign military and civilian personnel and their dependants stationed in the area.

Because of rounding, totals are not in all cases the sum of the respective components.

Estimates based on the complete counts of the 2015 Population Census.

Excluding data for Jordanian territory under occupation since June 1967 by Israeli military forces.
Data refer to resident population.

Source: Living conditions of household survey, October 2011 to September 2012.

Data have been adjusted for underenumeration.

Estimates based on the adjusted results of the Population and Housing Census of 2010.

Data refer to resident population which includes resident Maldivians and resident foreigners.

The total for the whole country includes 1,206,353 persons estimated not to have been counted in parts of States of Rakhine, Kachin and Kayin.

Data refer to 1 October.

Data refer to registered population data from Royal Oman Police.

Excluding data for the Pakistan-held part of Jammu and Kashmir, the final status of which has not yet been determined.

Figures for male and female may not add up to the total, since they do not include the category "Unknown".

Excluding 2134 Filipinos in Philippine Embassies, Consulates and Missions Abroad.

Urban and rural breakdown not applicable as Singapore is a city-state.

Data are based on the latest register-based population estimates for 2010.

Data refer to resident population which comprises Singapore citizens and permanent residents.

Data refer to total population, which comprises Singapore residents and non-residents.

Data exclude residents who have been away from Singapore for a continuous period of 12 months or longer as at the reference date.

Including Palestinian refugees.

Based on a sample taken at the time of census.

Data based on address-based population registration system.

Data include non-national population.

Data are adjusted according to the results of the 2009 census and 2014 intercensus.

Statistics are compiled from registers.

Excluding Faeroe Islands and Greenland shown separately, if available.

Excluding diplomatic personnel outside the country and including members of alien armed forces not living in military camps and foreign diplomatic personnel not living in embassies or consulates.

Excluding military personnel, visitors and transients.

Data refer to 31 March.

Data refer to the Vatican City State.

The population figure is 466 persons.

Data refer to usually resident population.

Data refer to registered resident population.

Data refer to 30 April.

Including civilian nationals temporarily outside the country.

Data refer to resident population only.

Including residents temporarily outside the country.

Tiraspol, Bender, Slobozia, Ribnita, Camenca Yrigoricpol/Grigoriopol are districts from Transnistria where the census was not conducted.

Data refer to usual resident population based on the 2014 Census. Tiraspol, Bender, Slobozia, Ribnita, Camenca Yrigoricpol/Grigoriopol are districts from Transnistria where the 2014 census was not conducted.

Excluding Transnistria and the municipality of Bender.

Excludes data for Kosovo and Metohia.

Inhabited only during the winter season. The Norwegian population of these islands is included also in the de jure population of Norway.

Data refer to legal resident population.

The Government of Ukraine has informed the United Nations that it is not in a position to provide statistical data concerning the Autonomous Republic of Crimea and the city of Sevastopol.

Excluding Channel Islands (Guernsey and Jersey) and Isle of Man, shown separately, if available.

These data have been randomly rounded to protect confidentiality. Individual figures may not add up to totals, and values for the same data may vary in different tables.

Including population in off-shore, migratory and shipping.

Excluding Niue, shown separately, which is part of Cook Islands, but because of remoteness is administered separately.

Based on the 2010 Population and Housing Census and 2013/2014 Household Income and Expenditure Survey.

Data include overseas visitors in New Zealand on census night.

Intercensal estimates.
Data have not been adjusted for underenumeration.

Projections based on adjusted 2009 census counts.
