DATA NOT AVAILABLE

Magnitude zero

Provisional

Italic: Data from civil registers that are incomplete or of unknown completeness

Code: Indicates the source of data, as follows:

C  Civil registration, estimated at least 90% complete
U  Civil registration, estimated less than 90% complete
|  Other source, estimated reliable
+  Events are counted when registered, not when they occurred.

Information not available

Excluding live-born infants who died before their birth was registered.

Data refer to Algerian population only.

Data refer to the 12 months preceding the census in May.

Data are projections presented in Annuaire Statistique 2010.

Data refer to the 12 months preceding the census in November.

Data based on the 2019 Population Census.

Registered births only.

Urban area here is composed of six communes: Brazzaville, Pointe-Noire, Dolisie, N'kayi, Mossendjo and Ouesso. The data on rural area are the result of the difference between total and urban area.

Data refer to the district of Djibouti only.

Source: Reports of the Ministry of Health.

Data refers to births in health institution.

Source: Ministry of Home Affairs.

The coverage of registration is estimated at 66 per cent.

The coverage of registration is estimated at 26 per cent.

Data refer to the 12 months preceding the census in September.

Adjusted number of births in households referring to the 12 months preceding the census in March.

Adjusted number of deaths in households referring to the 12 months preceding the census in March.

Adjusted number of infant deaths in households referring to the 12 months preceding the census in March.

Data refer to the 12 months preceding the census in March.

Data refer to Libyan nationals only.

Source: Civil Status Authority

Data refer to the 12 months preceding the census in April.

Data refer to population 12 years of age and over.

Including nomadic population.

Excludes the islands of St. Brandon and Agalega.

Births registered in this location.

Deaths registered in this location.

Infant deaths registered in this location.

Source: Ministry of Health

Based on Civil Registration System.

Source: Ministry of Public Health, Department of Statistics.

Source: District Health Information System version 2
