GENERAL INFORMATION

▪ Requirements for entry to the United States

The U.S. Government requests nationals of certain countries to have proper visas to enter the U.S. territory. It is your responsibility to obtain the proper visa if it is required. An official invitation is generally sufficient to be used as supporting documentation for a visa request.

▪ Weather

To check current and forecasted weather conditions in New York, please visit

<http://www.cnn.weather> or <http://www.weather.com>

▪ Money

The majority of Automated Teller Machines (ATMs) in New York City are linked to networks that most likely include your bank at home. Hence you would be able to make a cash withdrawal if you have an ATM Card that is accepted by *Cirrus* (www.mastercard.com/atm) or *Plus* (www.visa.com/atm), the two most popular networks. There are fees and daily limits associated with withdrawing money from an ATM. Please check with your bank at home for this information.

▪ Hotels

A list of selected hotels located in the United Nations vicinity (walking distance) is annexed to this information note. All of the hotel rates on the list, except for the Pickwick Arms Hotel and the Grand Hyatt, reflect special United Nations discount rates. Participants are expected to make their own hotel reservations. A credit card may be required for reservation.

To check current hotel rates, availability and any seasonal discount, please call the hotel directly or visit either of the following two web sites:

▪ Airports

There are 3 major airports serving New York City:

1. John F. Kennedy (JFK) International Airport (telephone: 718 244 4444) in Queens, about 15 miles from midtown Manhattan
2. LaGuardia Airport (telephone: 718 533 3400) in Queens, about 8 miles from midtown Manhattan
3. Newark International Airport (telephone: 973 961 6000) in New Jersey, about 16 miles from midtown Manhattan.

Information regarding these 3 airports can be accessed online at www.panynj.gov.

▪ Transportation from the airport

Complete transportation information for the above 3 airports can be obtained by calling Air-Ride (toll free number within US: 1 800 247 7433). The following are the most commonly used for transportation service between the airports and Manhattan:

- a. Super Shuttle** (Telephone: 800 258 3826 or 212 258 3826, www.graylinenewyork.com)
 - Departs JFK, LaGuardia, and Newark every 15 to 30 minutes around the clock.
 - Provides door-to-door service to Manhattan.
 - No reservation is required for the trip from the Airport to Manhattan. Proceed to the Ground Transportation desk or courtesy telephone in the baggage claim area and ask for Super Shuttle. For pick-up on the return trip, advance reservation (24–48 hours) is required.
 - One-way fare to and from JFK is \$19.00, LaGuardia is \$15.00 and Newark is \$19.00.
- b. Taxi (from airports)**
 - Follow Ground Transportation or Taxi signs.
 - Fares below do not include bridge and tunnel tolls (\$3.50 - \$6.00) and tips (15%) is customary).
 - From JFK: flat rate of \$35.00 to Manhattan (plus tolls and tips) (8 pm to 5 am - \$41).
 - From LaGuardia: around \$27 to Manhattan (plus tolls and tips) (8 pm to 5 am - \$34).
 - From Newark: The dispatcher from New Jersey Taxis will show you a fare list with flat rate ranging from \$40 to \$60 (excluding tolls and tips), depending on the destination in Manhattan.

▪ Local Transportation

Subway and buses are a convenient way to get around Manhattan. A Metro Card valid for both subway and bus rides can be purchased at subway stations. A single trip fare is \$2.00; but when you purchase a \$10 card you get 6 rides and a \$20 card, 12 rides.

A Daily Fun Pass Metro Card (unlimited ride for the day for one person) costs \$7.00. A 7-day Metro Card (unlimited ride for one week for one person costs \$21.00)

Please refer to the following website for further information on subways and buses:

<http://www.mta.nyc.ny.us/>

Yellow Cab Taxis are readily available around Manhattan. Taxis are a safe alternative for late night travel when trains and buses can be few and far between. It is advisable not to go with taxis without a meter (illegal taxi), as they could charge exorbitant fares.
