

Session 15. Country team work time

Exercise

- (a) Compare core topics recommended by the P&R with topics covered in the country's registration forms. Explain what are the differences.
- (b) Identify the major obstacles for achieving complete coverage of vital events registration and for compiling VS based on CR data.
- (c) **What efforts have been carried out for assessing quality?**
- (d) Outline five strategies that should be adopted to achieve completeness and improve data quality.

Note: This presentation is intended to be prepared by the Statistician, Registrar and the official from Min. of Health (if attending) working together
