MAIN OBJECTIVE OF THE WORKSHOP

The workshop is a regional workshop on CensusInfo in the context of the 2010 World Programme for Population and Housing Censuses.

The purpose of the Workshop is to develop participants’ capacities to use CensusInfo to its full potential as a platform for disseminating census data. The workshop has been designed using an outcome-based training methodology consisting of a series of demonstrations followed by practical exercises. The sessions include designing and creating templates and databases to house country-specific census data, learning various data administration utilities including data exchange to facilitate uploading of data into the CensusInfo system, and generating relevant tables, graphs, maps, reports and profiles for reporting purposes.

VENUE & DATE OF THE WORKSHOP

The workshop will be held in Maputo, Mozambique, from 14-16 November 2009. The venue will be announced.

LANGUAGE

The workshop will be conducted in English.

IMMIGRATION REQUIREMENTS

Visas are required for all visitors/delegates traveling to Mozambique, except for nationals of those countries who had agreement for free circulation/didn’t need Visas to Mozambique. Visitors from countries that have Mozambican diplomatic missions are required by the Mozambican immigration authorities to secure their visas from those missions before departure. These include holders of diplomatic and service passports as well as United Nations Laissez Passer.

If your country does not have a Mozambican diplomatic mission, INE (Statistical Office of Mozambique) will assist you in obtaining a visa upon arrival, provided we receive the following particulars two weeks in advance.

- Full Name
- Nationality
- Passport details – (number, date of issue and expiry)
- Flight details (arrival and departure)
The Mozambican Immigration Authority would require that you present an official letter of invitation for securing your business visa on arrival. It is imperative to bring with you the letter of invitation and present it to the Immigration Authority at the airport for securing your visa. Furthermore, two passport size photographs are needed to process visa requests upon arrival.

Please note that a Mozambican visa costs US$25 or Euro 25 per person and payment must be made in (US Dollars or European Euro)* at the time of issue. Holders of diplomatic and service passports as well as United Nations Laissez Passer will receive visas gratis.

HEALTH REQUIREMENTS

Visitors to Mozambique should be in possession of a valid health certificate for yellow fever. Vaccination against cholera is also required for any person who has visited or transited a cholera infected area within six days prior to arrival in the country. During their stay, visitors should take special precautions to avoid possible exposure to Malaria. For prevention you should drink extra water (increased breathing leads to water loss), avoid additional salt and heavy meals. Alcohol could worsen sleep disturbances.

INE protocol staff can assist all participants/delegates attending meetings to provide emergency medical services during working hours. On your registration form kindly provide us details of any special ailments you may be suffering from or details of allergies so that we can provide emergency medical attention should this be required.

In case of a medical or dental emergency, please contact the protocol staff at the conference room.

HOTEL ACCOMMODATION

Participants may make their hotel bookings or contact INE for assistance. Please note that as per the Administrative Instructions sent to you with the invitation letter, the Daily Subsistence Allowance (DSA) for Maputo is US $176.

If you would like INE to make the hotel reservation for you, send a message to Ms. Alda Rocha, Head of INE President’s Office by fax: +258 21490035; e-mail: alda.rocha@ine.gov.mz or renato.cassamo@ine.gov.mz
