<b>11:15–11:35</b>	<b>Coffee break</b>
<b>11:35–12:20</b>	<p><b>4. Civil registration as a source of vital statistics.</b> The session examines the method, system, role and other characteristics of civil registration, and defines the vital events that should be registered. It also reviews the registration process for vital statistics purposes (Chapter II of Part Two of Principles and Recommendations, Rev 3/Goal 1 of the RAF and Action Area D, E and F).</p> <ul style="list-style-type: none"> <li>• UNSD presentation</li> <li>• Country presentations (NSOs: Turkey, Georgia)</li> <li>• General discussion</li> </ul>
<b>12:20 – 13:45</b>	<b>Lunch break</b>
<b>13:45–15:00</b>	<p><b>5. Topics and themes to be covered in a vital statistics system.</b> This session considers topics to be investigated for each vital event, its specific characteristics and the persons directly involved (Chapter III of Part One of the Principles and Recommendations, Rev. 3/ Goal 3 of the Regional Action Framework and Action Area G: Production, dissemination and use of vital statistics).</p> <ul style="list-style-type: none"> <li>• UNSD Presentation: Topics from Civil Registration, Censuses and Surveys</li> <li>• General discussion</li> </ul>
<b>15:00–15:20</b>	<b>Coffee break</b>
<b>15:20 – 16:30</b>	<p><b>6. Population registers as sources of vital statistics.</b> The session provides an overview of the use of alternative sources and their potentialities in the context of vital statistics (Chapters III and V of Part Two of Principles and</p>

	<p>Recommendations, Rev 3/Goal 3 of the RAF). In addition, it discusses in depth the difficulties with using administrative data.</p> <ul style="list-style-type: none"> <li>• UNSD presentation (population registers)</li> <li>• Country presentation (NSO: Kazakhstan)</li> <li>• General discussion</li> </ul>
<b>16:30 – 17:00</b>	<p><b>7a. Quality assessment and assurance in the civil registration and vital statistics system.</b> The session reviews the basic quality assurance framework, and techniques, both direct and indirect, that can be used to evaluate the completeness of a civil registration system and reported vital statistics. The session will focus on internationally recommended mechanisms for assuring reliable, accurate and timely vital statistics (Chapter I of Part Three of Principles and Recommendations, Rev 3).</p> <ul style="list-style-type: none"> <li>• UNSD presentation</li> </ul>
<b>Day 2. Wednesday, 16 September 2015</b>	
<b>9:00 – 9:55</b>	<p><b>8. The role of health institutions.</b> The critical role of health institutions in collecting death and cause of death information is examined (Chapter IV of Part Two of the Principles and Recommendations, Rev. 3/Goal 3 of the RAF and Action Area E on Infrastructure and resources).</p> <ul style="list-style-type: none"> <li>• UNSD presentation</li> <li>• WHO presentation. Certification of causes of death.</li> <li>• Country presentation. Experience of a pilot on cause of death registration (NSO: Turkey).</li> <li>• General discussion</li> </ul>
<b>9:55- 11:05</b>	<p><b>9. National-level designation of responsibilities and organizational structures of a civil registration system.</b> This session examines the types of structures under which information on the frequency of occurrence of certain vital events and the person(s) concerned with them is collected, stored, retrieved and preserved. It includes the legal framework for civil registration under which the structures can operate efficiently (Module 3 of Chapter I of Handbook on Training in Civil Registration and Vital Statistics Systems/ RAF Action Area D and F).</p> <ul style="list-style-type: none"> <li>• UNSD presentation</li> <li>• Country presentations (Registrars: Mongolia, Iran, Georgia)</li> <li>• General discussion</li> </ul>
<b>11:05- 11:20</b>	<b>Coffee break</b>

11:20 – 12:30	<p><b>10. Local-level designation of responsibilities of a civil registration system.</b> This session looks at the designation and duties of the local registrar. It also considers ways for the central office to improve the efficiency of the local registrar (Module 6 of Chapter I of Handbook on Training in Civil Registration and Vital Statistics Systems).</p> <ul style="list-style-type: none"> <li>• UNSD presentation</li> <li>• Country presentations (Registrars: Armenia, Kyrgyzstan)</li> <li>• General discussion</li> </ul>
12:30 – 13:55	<p><b>Lunch break</b></p>
13:55– 15:05	<p><b>11. Civil registration process: place, time, cost, late registration.</b> This session considers the place of registration for each type of event and how it should be defined in law and regulation. The session also considers the importance and effect of the time factor in the registration of vital events; how fees should be assessed, relative to the effect they have on the completeness of registration; and it examines the methods of late and delayed registration (Module 8 of Chapter I of Handbook on Training in Civil Registration and Vital Statistics Systems).</p> <ul style="list-style-type: none"> <li>• UNSD presentation</li> <li>• Country presentations (Registrars: Turkey, Uzbekistan)</li> <li>• General discussion</li> </ul>
15:05 - 15:20	<p><b>Coffee break</b></p>
15:20- 16:30	<p><b>12. International collection of vital statistics and challenges faced by countries to fulfill it.</b> The session reviews the data and metadata requirements at international level for vital statistics and the purpose of international collection; it will describe the system for collecting, processing and disseminating demographic statistics at international level using the United Nations Demographic Yearbook. Response rates for participating countries will be presented and compared with other regions of the world. In addition, based on pre-workshop assignments, countries will make a presentation addressing the challenges they faced in meeting data requirements.</p> <ul style="list-style-type: none"> <li>• UNSD presentation. Collection of demographic statistics.</li> <li>• WHO. Collection of statistics on causes of death.</li> <li>• Country experiences on practical obstacles encountered when furnishing data for the Demographic Yearbook and lessons learned (NSOs: Georgia, Mongolia).</li> <li>• General discussion</li> </ul>

16:30 - 17:00	<p><b>7b. Quality assessment and assurance in the civil registration and vital statistics system.</b></p> <ul style="list-style-type: none"> <li>• ESCAP presentation. Reporting under the RAF</li> <li>• General discussion</li> </ul>
Day 3. Thursday, 17 September 2015	
9:00 – 10:15	<p><b>13. Guidelines for national target setting and monitoring of the Regional Action Framework on Civil Registration and Vital Statistics in Asia and the Pacific.</b> This session presents the Guidelines for setting national goals and targets, and also touches upon future challenges and opportunities for their country application.</p> <ul style="list-style-type: none"> <li>• ESCAP presentation</li> <li>• General discussion</li> </ul>
10:15 – 10:45	<b>Coffee break</b>
10:45- 12:30	<p><b>14. Country team work time.</b> Representative(s) of each country will work as a team on preparing a <b>10 minute</b> presentation on strategies to implement the Regional Action Framework while applying the Principles and Recommendations in their respective countries, assisted by resource persons. In particular, participants are expected to discuss:</p> <p>a) The main obstacles for achieving complete coverage of vital events registration, and for improving accuracy of registered information. Country teams will compare the topics covered in their registration forms with the list of core topics provided by the Principles and Recommendations.</p> <p>b) The baseline data (or lack thereof), as well as national targets for the RAF, using the Guidelines.</p> <p>A presentation will be delivered by each country on the last day of the workshop.</p>
12:30 – 14:00	<b>Lunch break</b>
14:00 – 17:00	<b>15. Visit to the Turkish Statistical Institute Regional Office</b>
Day 4. Friday, 18 September 2015	

9:00–9:20	<p><b>16. WHO Regional Strategy for the improvement of CRVS systems.</b></p> <ul style="list-style-type: none"> <li>• WHO-EMRO presentation. Strategic options for the improvement of CRVS systems in the Region</li> </ul>
9:20- 10:50	<p><b>17. Strategies for improving civil registration and vital statistics systems in subregional Asia.</b> The session provides a platform for countries to share their strategies for improving CRVS systems. Each country (statistician and registrar jointly) will make a presentation on possible national strategies for improving both civil registration and vital statistics, based on the work done in session 14 and existing national development plans. Countries will present the strategies to be adopted to meet the Regional Action Framework goals and targets.</p> <ul style="list-style-type: none"> <li>• Country presentations</li> </ul>
10:50 – 11:10	<p><b>Coffee break</b></p>
11:10 – 12:30	<p><b>17. Strategies for improving civil registration and vital statistics systems in subregional Asia (continued).</b></p> <ul style="list-style-type: none"> <li>• Country presentations</li> </ul>
12:30 – 13:50	<p><b>Lunch break</b></p>
13:50 – 15:20	<p><b>17. Strategies for improving civil registration and vital statistics systems in subregional Asia (continued).</b></p> <ul style="list-style-type: none"> <li>• Country presentations</li> </ul>
15:20 – 15:40	<p><b>Coffee break</b></p>
15:40 – 17:00	<p><b>18. Wrap-up /Closing.</b> Presentation and discussion of the summary of the workshop’s proceedings: conclusions and recommendations on how to improve the quality of vital statistics in participating countries.</p> <p><b>Evaluation of the workshop</b></p>
