GENERAL NOTES - NOTES GENERALES

The capital city of each country is shown in capital letters. Figures in italics are estimates of questionable reliability. For definition of city proper and urban agglomeration, method of evaluation and limitations of data see Technical Notes for this table. — Le nom de la capitale de chaque pays est imprimé en majuscules. Les chiffres en italiques sont des estimations de qualité douteuse. Pour la définition de la ville proprement dite et de l'agglomération urbaine, et pour les méthodes d'évaluation et les insuffisances des données voir Notes techniques pour ce tableau.

Italics: data from civil registers which are incomplete or of unknown completeness. — Italiques: données incomplètes ou dont le degré d'exactitude n'est pas connu, provenant des registres de l'état civil.
