

"Your Participation in the survey makes 2000
population and housing census perfect"

Population and Housing Census

2000 Population and Housing Census

1 Population and Housing Census 2000 is a census conducted on every household in the country to fully understand the social and economic characteristics of the population in Korea. The provided information will help us all prepare for the 21st century.

2 By Statistics Act, every household is mandated to fill in a census form. The confidentiality of the information provided in this census form will be strictly protected.

3 For additional information about Population and Housing Census 2000, visit our website at www.nso.go.kr/census2000 or contact the National Statistical Office at 080-527-2000 or your local public office.
