FORM # _____ of _____

The 2011 RMI Census counts each person at his or her "usual residence."
 The usual residence is the place where the person lives and sleeps most of the time.

Include

- Everyone who usually lives here such as family members, housemates and roommates, foster children, roomers, boarders, and live-in employees.
- Persons who are temporarily away on a business trip, on vacation, or in a general hospital.
- College students who stay here while attending college.
- Persons in the Armed Forces who live here.
- Newborn babies born during or before last week.
- Children in boarding schools below the college level.
- Persons who stay here most of the week while working even if they have a home somewhere else.
- Persons with no other home who were staying here last week.

Do not include

- Persons who usually live somewhere else.
- Persons who are away in an institution such as a prison, mental hospital, or a nursing home.
- College students who live somewhere else while attending college.
- Persons in the Armed Forces who live somewhere else.
- Persons who stay somewhere else most of the week while working.

Please give me the name of each person usually residing here as of April 5, 2011, including all persons staying here who have no other home. Begin with the household member in whose name the home is owned, being bought, or rented. If there is no such person, start with any adult household member. *Print last name, first name, and middle initial for each person.*
