ATTENTION TO ENUMERATOR

Successful implementation and attainment of targets of 2000 Population Census, which is a costly operation both in terms of man-hours and finance, require complete dedication to the job assigned to you. For that purpose, it is essential that together with Census Supervisors, you check the addresses one by one in given Enumeration Area Building List (Form C) one day before census day. If you reveal any problems during your controls, inform the Census Committee to fix it. It is such an important task that to tackle it perfectly, you are expected to have carefully read again the "Handbook for Enumerators and Supervisors" handed out to you during training sessions, one day before census day. At census day, enumerate all population in your enumeration area. BELIEVING THAT YOU WILL DO YOUR BEST TO TACKLE YOUR CENSUS TASK WE WISH YOU SUCCESS.
