FOR STATISTICAL USE ONLY

FOR OFFICE USE
EA number: .................................................................................................................................
Record number: .........................................................................................................................
Institution number: ......................................................................................................................
Provincial: ......................................................................................................................................
Local council: ..............................................................................................................................
Homeless person (dot the box): 

Name of institution: ......................................................................................................................

For individuals in institutions and tourist hotels
(for example, tourist hotels, hospitals, childcare institutions, boarding schools, homes for the disabled, initiation schools, convents, defence force barracks, prisons, community and church halls, refugee camps etc.)

Who completed this questionnaire?

• An enumerator through an interview.

An individual through self-completion.

Completion of the questionnaire

First fill in the full name of the person to be counted. Always write in BLOCK LETTERS. In the box for any person born in South Africa, write code 1 in the box for individuals in institutions and tourist hotels

How to fill in the questionnaire

• Read every question carefully.

• Look at the classifications where applicable and find the alternative that best applies to the response. For example, in question P-07 English belongs to category 02. Please write dots, numbers and letters clearly so that the scanning machine can read them. Always use CAPITAL LETTERS.

• An individual through self-completion.
