

2010 Everyone Counts!

Census 2010 Childrens Activity Book

Everyone counts for Census 2010 – including you!
Add your face to this picture.

Census asks all kinds of questions like what is your age, where you go to school and where you live. Do you wonder why? Government needs facts about the people living in the Cayman Islands to plan for our future.

You can be a census worker too!

How many people live in your house? _____

How many bed rooms does your house have? _____

Does your home have air conditioning? _____

Do you have internet at home? _____

Do you use alternative energy (solar power)? _____

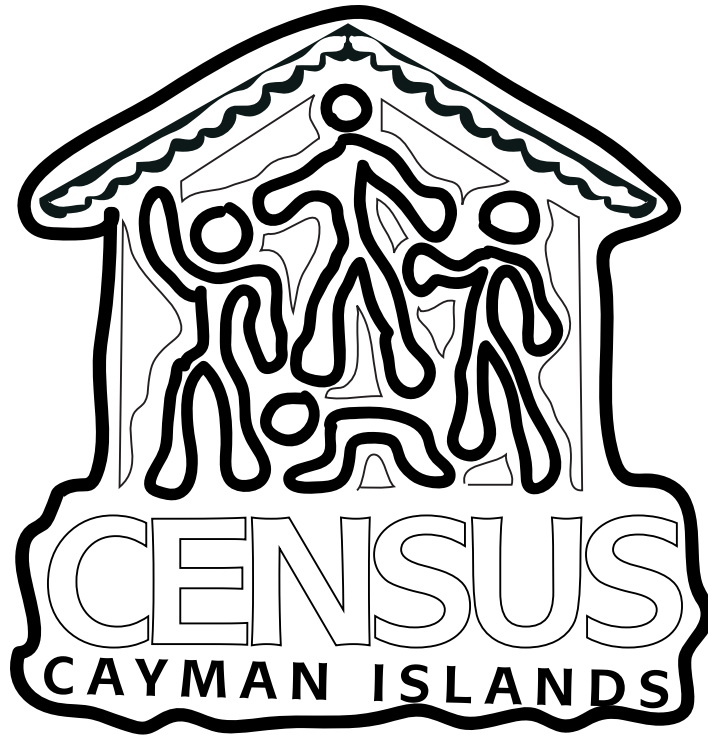

How many television sets do you have? _____

In what district do you live? _____

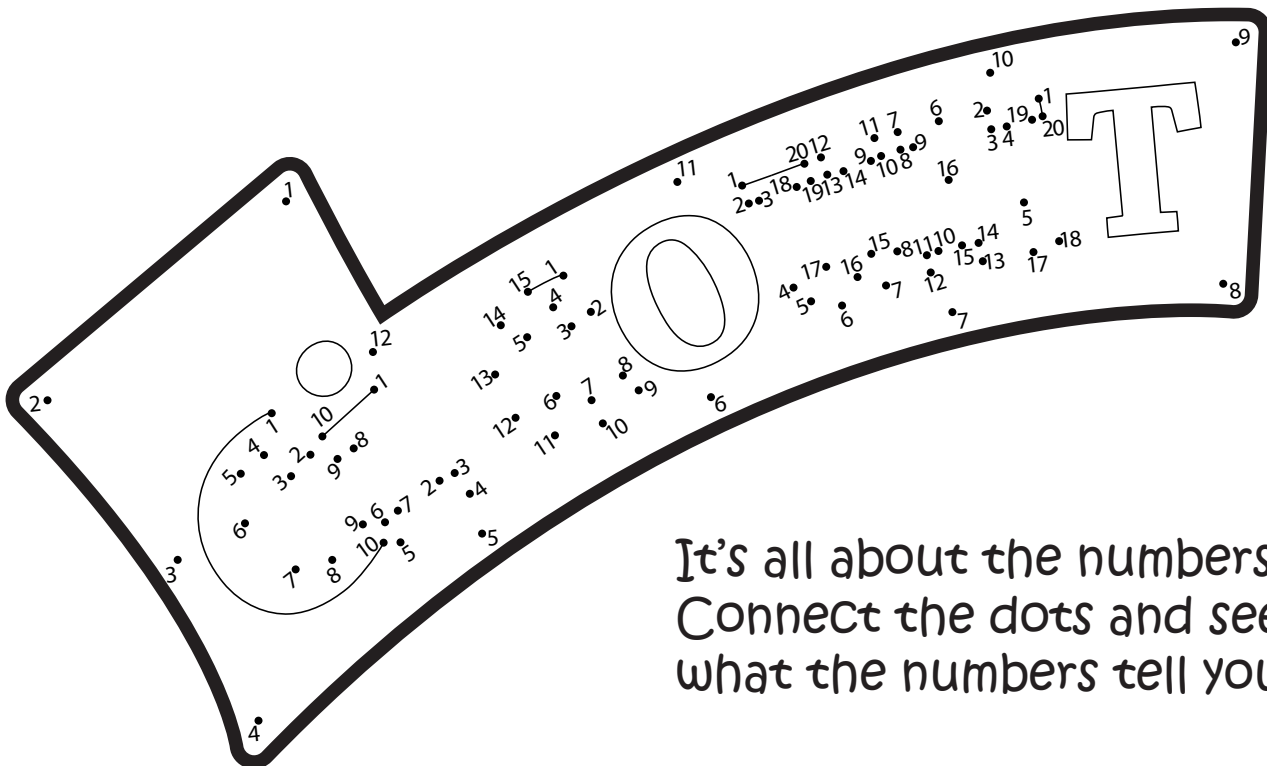

Where do you go to school? _____

What grade are you in? _____

Colour Census logo.

2010 Everyone Counts!

It's all about the numbers!
Connect the dots and see
what the numbers tell you.

Which district do you live in? Colour it in on this map.

Census 2010 will give us answers!

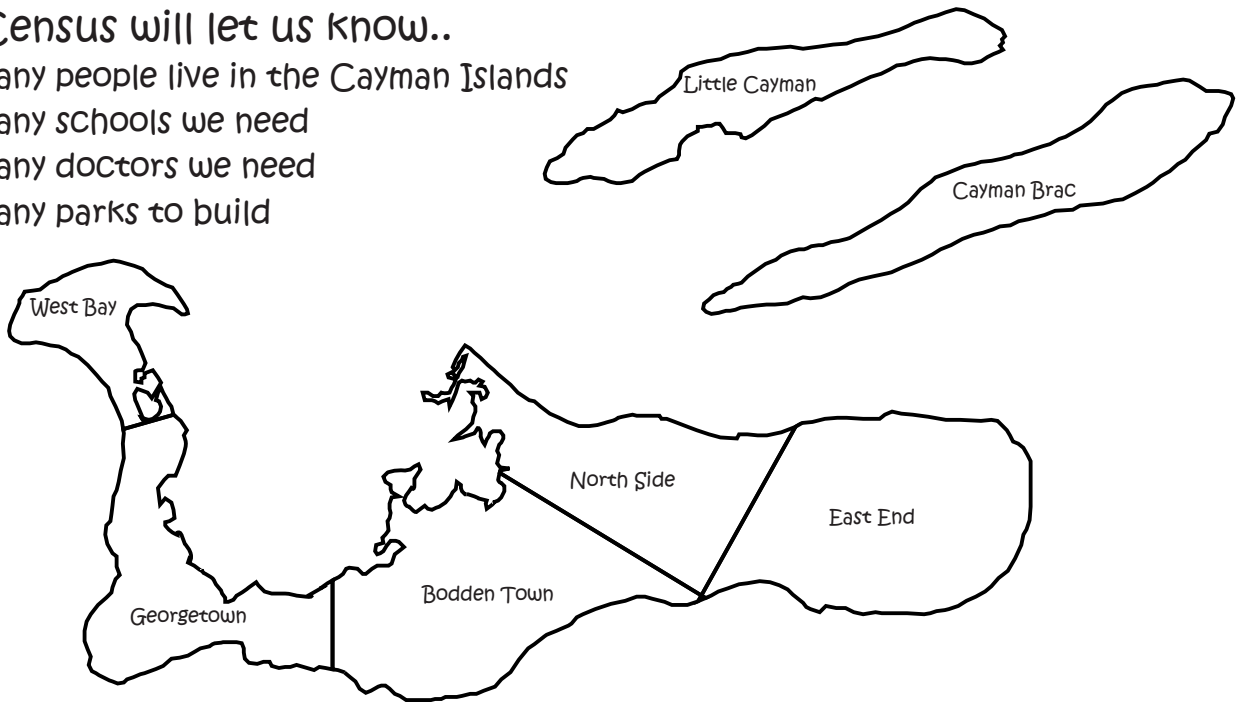

The Census will let us know..

How many people live in the Cayman Islands

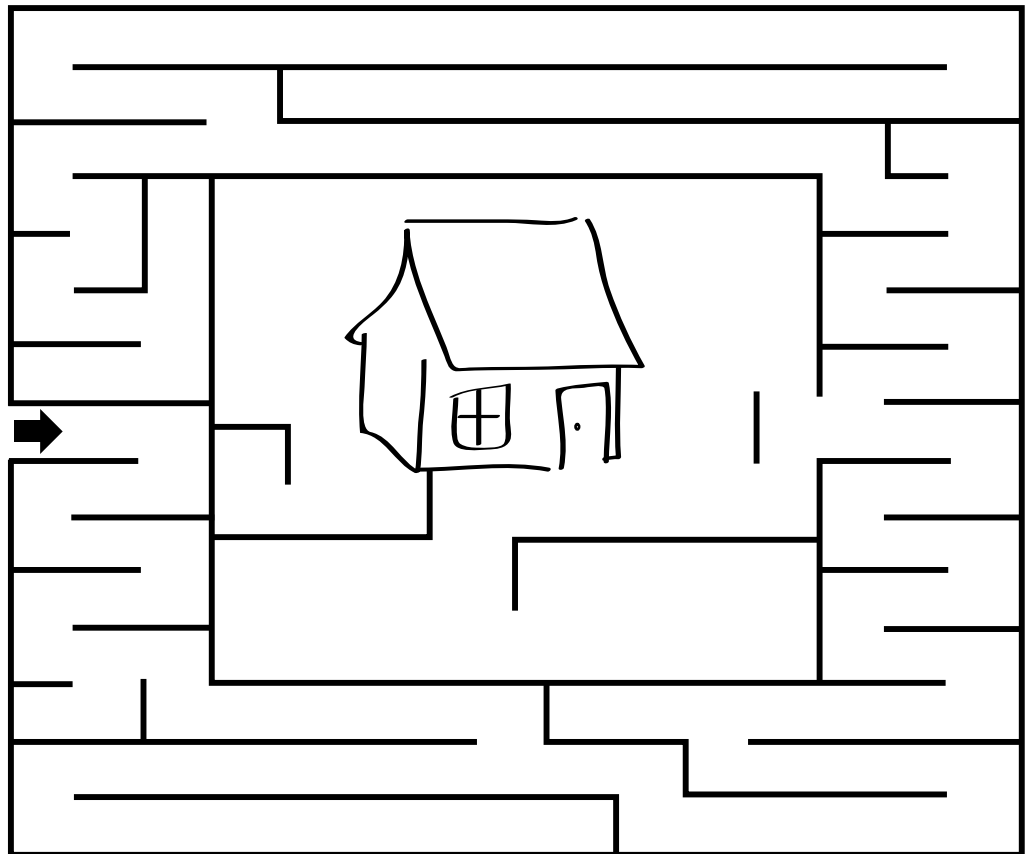

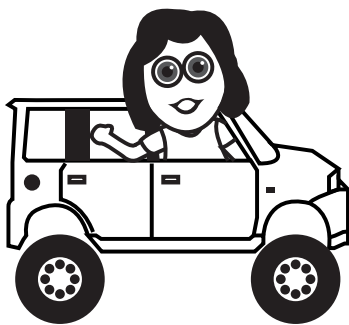

How many schools we need

How many doctors we need

How many parks to build

Help Donnalee find her way home where she will be counted.
