

Selected energy resources and reserves

Million metric tons unless otherwise indicated

Table Notes

Based on country submissions and the publication *World Energy Resources - 2016*, World Energy Council (WEC), available at <https://www.worldenergy.org/publications/2016/world-energy-resources-2016/>.

These sources are complemented with data from BP, Statistical Review of World Energy 2022, available at <https://www.bp.com/en/global/corporate/energy-economics/statistical-review-of-world-energy.html>.

Please refer to the Definitions Section on pages ix to xv for the appropriate product description /classification, and xvi to xvii for the descriptions of relevant flows.
