

DEPARTMENT OF ECONOMIC AND SOCIAL AFFAIRS  
STATISTICS DIVISION  
UNITED NATIONS

UNCEEA/7/1

---

**Seventh Meeting of the UN Committee of Experts on  
Environmental-Economic Accounting  
Rio de Janeiro, 11-13 June 2012**

**PROVISIONAL ANNOTATED AGENDA**

- 1. Opening and objectives of the meeting**
- 2. Implementation of the SEEA (*for discussion*)**

The UNCEEA will discuss a proposal for the strategy on the implementation of the SEEA taking into consideration existing activities and the role of the statistical community. It will also continue the discussion from 6<sup>th</sup> UNCEEA meeting on the priority tables and accounts for countries to compile.
- 3. Revision of the SEEA – Experimental Ecosystem Accounts(*for discussion*)**

The Committee will review progress made in the drafting of the Chapters of SEEA Experimental Ecosystem Accounts and provide advice on the way forward. The Committee will also be informed of the policy demand for ecosystem accounts and assess the role of the statistical community.
- 4. Revision of the SEEA – Extensions and Applications (*for discussion*)**

The SEEA will discuss an annotated outline and draft material for the SEEA Extensions and Applications.
- 5. SEEA-Agriculture and rural development**

The Committee will discuss the programme of work on the development of SEEA-Agriculture.
- 6. Energy accounts and statistics (*for discussion*)**

The Committee will be updated on the progress of work in the development of the SEEA-Energy and the Energy Statistics Compilers Manual, including on how it can support the implementation of the SEEA and the SEEA-Energy.
- 7. Environment statistics (*for discussion*)**

The Committee will be informed of the current development in environment statistics and in particular updated on the progress of work on the revision of the Framework for the Development of Environment Statistics (FDES) and will discuss in particular the relationship between the FDES and the SEEA.
- 8. Programme of work of the UNCEEA (*for information*)**

The Committee will have before it the programme of work of the UNCEEA and the annex reporting on the programme of work of other bodies working on environmental-economic accounting and supporting statistics for which the UNCEEA plays a role of coordination.

**9. Report of Groups working under the auspices of or in collaboration with the UNCEEA** *(for information)*

Reports presenting progress of work of the various groups will be presented to the UNCEEA to ensure coordination among the group is ensured.
