Revision of the SEEA: Draft Version for Second Round of Global Consultation, October 2011 – Chapters 1 – 6

Reading guide for the SEEA Revision Second Round of Global Consultation

Supporting material for selected classifications and lists in the revised SEEA

Part I: General comments

This is the first global consultation based on the complete set of chapters for the SEEA Central Framework. In this section please provide general comments on the drafts chapters. You may like to consider providing comments on the style and tone, the content and coverage, and the general accessibility of the material.

- 1- CSO is doing all the best to improve environmental statistics with cooperation of all related institute in Iraq, taking consideration UNSD recommendation.
- 2- Thank you for providing CSO with techniques concerning environmental- economic accounting system for water sector.
- 3- CSO prepared the first report of environmental- economic accounting system for water sector in 2010, and will published soon.
- 4- Revised chapters (1-6) are very suitable and CSO will apply according to them.
- 5- We will be happy if the revised chapters are in Arabic language.

Part II: Technical and other comments

In the box below please supply any additional comments including those of a more technical nature. As this is the first consultation where the complete 6 chapters have been released, comments on the consistency of the technical content across the chapters would be appreciated.

Please reference your responses with the relevant paragraph number or section number.
