## Global Consultation Comment Form

### Revised SEEA Chapter 1 - 6

**Deadline for responses: 7 December 2011**

**Send responses to: [sea@un.org](mailto:sea@un.org)**

Your name:	Jacques Roduit
Your country/organization:	Switzerland, Federal Statistical Office
Contact (e.g. email address):	<a href="mailto:jacques.rodut@bfs.admin.ch">jacques.rodut@bfs.admin.ch</a>

Additional comment from 30 December 2011:

§ 1.43, 7<sup>th</sup> line and 6<sup>th</sup> line: Please replace "Ecosystem services are ~~generally~~ grouped into four main types" by "Ecosystem goods and services are often grouped into four main types...". In fact, Volume 1 of the SEEA should not codify a particular way of grouping ecosystem goods and services.
