1. Meeting Information

Title

Sixth Meeting of the Expert Group on Environment Statistics

Dates

21-23 May 2019

Venue

United Nations Secretariat Building (27th floor - Conference Room S-2726/2727)

Time

The sessions will be from 9:00 to 18:00 h on 21 May, and from 09:00-17:30 h on 22 - 23 May. A preliminary agenda was provided with the invitation.

Registration and Ground Passes

Participants will be met at the lobby of the UN DC 2 building (2 UN Plaza on East 44th Street between 1st and 2nd Avenue) by one of our staff members at 08:30 h on the first morning of the meeting. They will be given temporary United Nations grounds passes and will be escorted to the meeting room. A grounds pass is required at all times to enter all United Nations buildings.

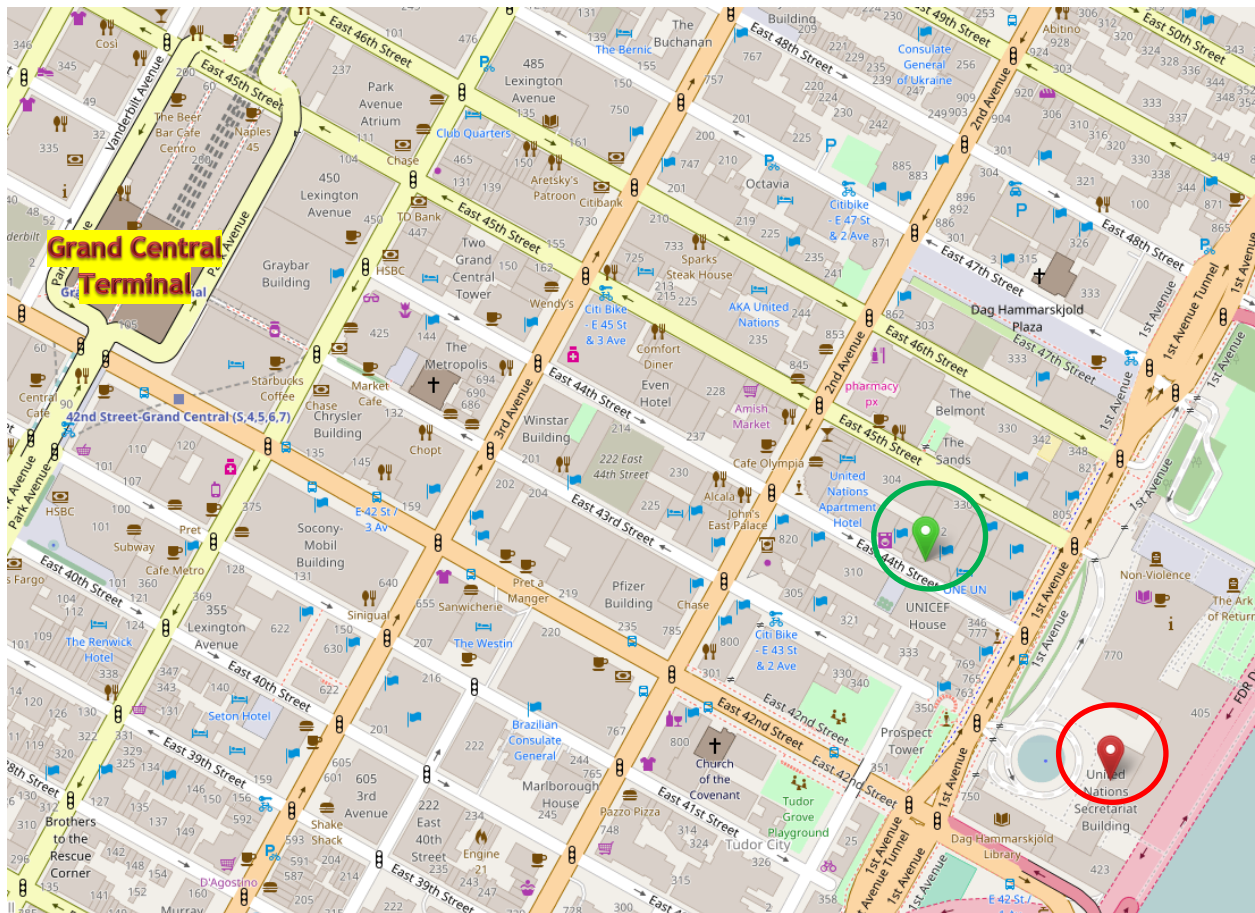

If you are arriving later than 09:00 h please notify Ms. Robin Carrington at UNSD at +1 (212) 963-6234 to make arrangements to pick up your grounds pass. You can call her from the lobby of DC 2, dialing 3-6234 from the telephone there.

Local Transportation

Subway and buses

<http://www.mta.info>

Subway and buses are a convenient way to get around Manhattan. **MetroCard** valid for subway and bus can be purchased at subway stations. Riding the subway is generally safe even at night, especially within Manhattan.

Subway map: <http://web.mta.info/nyct/maps/subwaymap.pdf>

Use google maps for finding the best and quickest way to your destination.

Fare info: <http://web.mta.info/nyct/fare/FaresatAGlance.htm>

Single (Sold at subway vending machines only): single ride ticket is \$3.00 (no transfer to bus).

Pay-per-ride: \$3.00 (\$2.75 if you add at least \$5.50 to your MetroCard. MetroCard is \$1)

7-Day Metro Card costs \$32.00 (unlimited ride for one week for one person)

Yellow Cab Taxis

Yellow taxis are readily available around Manhattan. While taxis are relatively expensive for a single person, they are affordable with 3 or more riders. Taxis are also a safe alternative for late night travel when train and buses can be few and far between. All taxis usually accept credit cards. Pay only what is on the meter, plus a 10% to 15% gratuity (tip for safety and good service).

Caution: Do not to take taxis without meters (illegal taxi) or with the meter turned off and do not use black cabs that you have not ordered beforehand using a smartphone app like Uber, Gett, Lyft, etc., as they could charge you exorbitant fares. At the airports only get onto a taxi at the official taxi stand where usually an agent should be present.

On all trips within New York City, any bridge and tunnel tolls to the destination shall be paid by the passenger, who shall be so informed before the start of the trip. On all trips within the City of New York, return tolls shall not be charged except for trips over the Cross Bay Veterans, Marine Parkway-Gil Hodges Memorial, and Verrazano Narrows Bridges. On trips beyond the City of New York, all necessary tolls to and from the destination shall be paid by the passenger. There are additional charges for crossings outside the metropolitan area and New Jersey. Passengers are required to pay one way.

The rates for taxis are as follows:

Initial fare	\$2.50
Each 1/5 mile (4 blocks)	\$0.50
Each 1 minute idle	\$0.50
Night surcharge	\$0.50 (after 20:00 until 06:00 h)
Peak hour weekday surcharge	\$1.00 (Mon-Fri, 16:00 until 20:00)
New York State Congestion Surcharge	\$2.50
New York State Tax Surcharge	\$0.50
Additional riders	FREE

For more fare information, including airport rides:

http://www.nyc.gov/html/tlc/html/passenger/taxicab_rate.shtml

Black Cabs (Uber, Uber Pool, Gett, Via, Lyft, etc.)

There are many black cabs operating in New York. Most of them are now hailed using an app like Uber, Uber Pool, Gett, Via, Lyft, etc.. Uber accounts from abroad were reported to work also in New York. So this might be a good alternative for trips within the city and to the airports. Especially when using their shared service Uber pool, where several passengers share the costs of the ride.

Ferries

New York has different networks of ferries. Please consult the following websites:

On the Hudson River: <http://www.nywaterway.com>

On the East River: <http://www.eastriverferry.com/>

Staten Island Ferry (free): <http://www.siferry.com>

Money

The majority of ATMs (Automated Teller Machines) networks in New York City are linked to a network that most likely includes your bank at home. Hence, you would be able to make a cash withdrawal if you have a cash card (ATM Card) that offers **Cirrus** (www.mastercard.com/atmlocator/index.jsp) or **Plus** (www.visa.com/atm), the 2 most popular networks. There are fees and daily limits associated with withdrawing money using the above networks. Please check with your bank at home for this information and also check for any additional fees charged by the ATM operator displayed on the ATM's screen.

Traveler's cheques are another good and safe alternative. But they are less and less used in New York. Be sure to keep a record of their serial numbers, so you are ensured a refund in case they are lost or stolen. The 3 most popular travelers cheques providers are **American Express** (American Express branches www.americanexpress.com), **Visa** (Citibank branches), **MasterCard** (Thomas Cook Currency Services).

Credit Cards are a convenient way to pay for transactions. **American Express, Visa and Master Card** (among others) are accepted virtually everywhere in New York and locals use them to pay even for very small amounts.

For gratuity, it is suggested that you give 18% of your total bill. It usually adds up to multiplying tax of the total bill by two. ex) Tax = \$2.50, then tip would be $\$2.50 \times 2 = \5.00 .
