## Principles

*Multi-domain*

*Integration*

*User-centric*

*More timely responses to demand*

# DA14 – climate change and disaster-related statistics

- **Timeframe**

- September 2022 - October 2025

- **Objective**

- Support countries to broaden production and use of key policy-driven statistics and indicators focusing on climate change and disaster-related statistics

- **Strategies**

- Tailor to national concerns, priorities, and resources
- Utilize technologies and innovation for official statistics
- Enhance institutional coordination and collaboration
- Promote south-south cooperation

# THANK YOU
