Chapter 1_ The First Report on Gender Statistics in South Korea

Statistics Act (Enforcement date 1st July, 2015)

Article 18 (Approval for Collection of Statistics) (1) Where the head of a statistics collection agency intends to collect new statistics, he/she shall obtain prior approval of the Commissioner of the Statistics Korea on the matters prescribed by Presidential Decree, such as name, kind, purposes, subject matters of survey, methodology of survey, gender distinction in the matters of survey. The same shall apply where he/she intends to change the approved matters or to suspend the collection of statistics that have been approved.

Article 6 (Designation and Management of Staff in Charge of Statistics) (1) The heads of statistics collection agencies shall designate and manage a staff member in charge of statistics from among the staff under their control, and have him/her exercise general supervision over the following business affairs concerning the collection, dissemination and use of statistics under their jurisdiction. In such cases, the scope of a person subject to designation shall be prescribed by Presidential Decree: <Amended by Act No. 10196, Mar. 31, 2010>

1. Business of integration, coordination and quality control of statistics of the statistics collection agency and its affiliated agency;
2. Business concerning cooperation with other statistics collection agencies;
3. Business concerning the collection and distribution of gender statistics classified by gender if natural persons are included in statistics;
4. Other business affairs concerning the collection, dissemination and use of statistics under their jurisdiction.

FRAMEWORK ACT ON GENDER EQUALITY (Enforcement date 1st July, 2015)

Article 17 (Gender-Sensitive Statistics) (1) Where the State and local governments compile population statistics, they shall differentiate between genders in the statistics (hereafter referred to as "gender-sensitive statistics" in this Article) that provides information on the current conditions and characteristics of each gender, and shall distribute them to the agencies concerned.

(2) After consultations with the heads of the relevant agencies including the Commissioner of the Statistics Korea, the Minister of Gender Equality and Family may provide necessary support, including development and calculation of statistics on gender sensitivity, provision of consulting and advice, and education and training.

To Promote Basic Plan for Gender Equality Policies

- 「1st Basic Plan for Women Polices ('98~'02)」
- 「2nd Basic Plan for Women Polices ('03~'07)」
- 「3rd Basic Plan for Women Polices ('08~'12)」
- 「4th Basic Plan for Women Polices ('08~'12)」
- 「5th Basic Plan for Women Polices ('13~'17)」
- 「1st Basic Plan for Gender Equality Policies ('15~'17)」

To reinforce Gender Impact Assessment : 2005 ~

To enforce Gender-responsive Budgeting : Central Government – from 2010, Local Government – from, 2013

Chapter 1_ Decentralized Statistics System of South Korea

Approved Statistics of South Korea: Sep. 30, 2016

(Unit : Agency, Kind)

Agency	Number of compiling agencies	Total	By kind		By compiling method		
			Designated statistics	General statistics	Survey statistics	Administrative statistics	Analytic statistics
Total	397	979	94	885	433	455	91
Government	303	806	76	730	330	404	72
- Central	43	358	59	299	181	143	34
· Statistics Korea	1	59	39	20	40	2	17
· Except Statistics Korea	42	299	20	279	141	141	17
- Local	260	448	17	431	149	261	38
Designated Agency	94	173	18	155	103	51	19

GSIS and Minimum Set of Gender Indicators

Chapter 2_ What is GSIS?

The Gender Statistics Information System is a portal site that provides integrated information related to gender statistics, including a statistical DB, thematic statistics and statistical publications

Through the efforts to switch into a portal of gender statistics, Gender Statistics Information System has been served since 2006

URL(English): <http://gsis.kwdi.re.kr/en>(in December English service will fully open)

URL(Mobile): <http://gsis.kwdi.re.kr/mobile>

Chapter

The First Partner for Gender Equality *KWDI*

Future Works

Improvement in efficiency of Gender statistics

to provide enhanced statistical basis for making gender equality policies, Basic Plan for Gender Equality as well as producing GIA, GB

Enhancement of Examining users' needs

Survey, Usage pattern analysis methodology, Interviews

Improvement of users' convenience

Enforcing search engine, enhancing the source of statistics, producing various contents

Development to produce un/under excavated gender statistics

- Minimum set of gender indicators
- Basic plan for gender equality policies including GIA, GB
- Excavation of new statistics

Enhancement of local/sectorial gender statistics analysis

Promotion of producers/users perception on Gender Statistics

The First Partner for Gender Equality ***KWDI***
