Tenth United Nations Conference on the Standardization of Geographical Names

New York, 31 July-9 August 2012

Item 4 of the provisional agenda*

Reports by Governments on the situation in their countries and on the progress made in the standardization of geographical names since the Ninth Conference (for distribution only)

National report of Italy

Summary**

The report summarizes the main activities developed by Italy for the standardization of Italian geographical names. Such activities are carried out by the Italian Military Geographic Institute, which is the body in charge of compiling, updating and publishing the official national cartography, in cooperation with other national public institutions and academic organizations.

* E/CONF.101/1.

** The full report was prepared by Sabato Rainone, Chief, Geospatial and Meteorological and Oceanographic Section of the Italian Defence General Staff, and is available in the language of submission only from <http://unstats.un.org/unsd/geoinfo/UNGEGN/ungegnConf10.html>.
