Concise Gazetteer of Italian Geographical Names

Submitted by Italy**

* E/CONF.94/1.

** Prepared by Salvatre Arca, Director, School of Geodesy, Topography and Cartography, Istituto Geografico Militare.

Summary

The Istituto Geografico Militare Italiano produced the Concise Gazetteer of Italian Geographical Names in 2001. The Gazetteer contains about 3,500 geographical names taken from the six 1:1,000,000 sheets of World Map 1301 that cover Italian territory. Every name is referenced by the relevant geographical coordinates and classified according to geographical feature and possible linguistic details.
