Eleventh United Nations Conference on the Standardization of Geographical Names

New York, 8-17 August 2017

Item 6 of the provisional agenda*

**Reports on the work of the United Nations Group of Experts
on Geographical Names, its divisions, working groups and
task teams since the Tenth Conference**

Report of the Dutch- and German-speaking division of the United Nations Group of Experts on Geographical Names

Summary**

The Dutch- and German-speaking division of the United Nations Group of Experts on Geographical Names consists of experts from Austria, Belgium, Germany, the Netherlands, South Africa, Suriname and Switzerland.

The report documents the achievements of the Dutch- and German-speaking division since 2012. Most of the activities described in the report were conducted by Ständiger Ausschuss für geographische Namen (the Permanent Committee on Geographical Names), the body for cooperation among the German-speaking countries, and by Taalunie, the Dutch Language Union.

The achievements have been reported under the headings of the relevant resolutions adopted by the various United Nations conferences on the standardization of geographical names.

* E/CONF.105/1.
