TERMINOLOGY IN THE STANDARDIZATION OF GEOGRAPHICAL NAMES

Glossary of terminology used in the standardization of
geographical names**

Document submitted by France

SUMMARY

As part of the work carried out by the United Nations Group of Experts, François Nedelec, Ingénieur en chef géographe, has prepared the attached glossary of terminology used in the standardization of geographical names. He defines in the glossary 160 terms giving the English, German and Spanish equivalents of each.

At the end of the Glossary is an alphabetical index of English, German and Spanish terms to enable the user to find the corresponding French terms.
