Ninth United Nations Conference on the Standardization of Geographical Names

New York, 21-30 August 2007

Item 9 (e) of the provisional agenda*

**National standardization: toponymic guidelines
for map editors and other editors**

The Toponymic Committee of Tyrol

Submitted by Austria**

In August 2006 the provincial government of Tyrol decided on the new foundation for its Toponymic Committee.

Its members are: Peter Anreiter (Chair, University of Innsbruck), Christian Chapman (University of Innsbruck), Gerhard Rampl (Austrian Academy of Sciences), Kurt Grubhofer (Provincial Archive of Tyrol) and Richard Schober (Provincial Archive of Tyrol).

Its tasks encompass not only all matters concerning the standardization of geographical names in Tyrol, but also research on the historical records of the names of the Tyrolean communes from the very beginning up to the sixteenth and seventeenth centuries. A publication is in preparation.

* E/CONF.98/1.

** Prepared by Isolde Hausner, Austrian Board on Geographical Names (Arbeitsgemeinschaft für Kartographische Ortsnamenkunde (AKO)), Austria.

Below is the new version of map III (provincial toponymic committees) of the toponymic guidelines, Austria.
