

EXERCISE 1: ADAPT COLONIAL MAP TO NEW DISPENSATION

<previous

Adapt a Colonial map to new dispensation (change names into present Bahasa Indonesia spellings)

On the basis of the example, we described in "[Name changes due to A\) Colonization](#)", you are asked to change the spelling of the toponyms on this map of Sunda Straits from a Dutch language school atlas published about 1930, into the properly spelled Bahasa Indonesia toponyms

- |  |        |
|--|--------|
| BANTAM                                     | Banten |
| S.SOENDA (S. for Straat = Strait)          | .....  |
| Prinsen-eiland (P.Panaitan)                | .....  |
| Meeuwen-eiland (P.Peutjang)                | .....  |
| PRINSEN STRAAT OF BEHOUDEN PASSAGE         | .....  |
| Meeuwen-baai (baai=bay)                    | .....  |
| Tg.Lajar (Java's 1 <sup>e</sup> punt)      | .....  |
| Tg.Lésoeng (Java's 3 <sup>e</sup> punt)    | .....  |
| Tg.Alangalang (Java's 2 <sup>e</sup> punt) | .....  |
| Welkomst-baai (baai=bay)                   | .....  |
| G.Pajoeng                                  | .....  |
| Ta.Tiankoewana                             | .....  |
