

# Group 1

Group discussion on quality assurance for statistics compiled from different data sources

# Digital Strategies

Country	"New"/administrative data sources
Belarus	Information Society Digital Strategy
Norway	Digitalization Strategy
Armenia	Five Year Statistical Program, Ministry of Digitalization
North Macedonia	Government Digital Strategy
Albania	NSS Development Strategy; Government Digital Agenda
Ukraine	Digital Strategy, Ministry of Digital Information

Question	
Certifying Statistical Outputs	Review / Assessment – Labeling
Certifying other members of NSS	Review / Assessment – Labeling
Curator vs. Producer	A total change of the mission of the NSI; High risk to the reputation; Very difficult to guarantee the quality.
Data Steward	Ministries of Digital Information/Agencies of Digital Information; NSI

Thank you!
