

National Quality Assurance Framework

Group No. 3

1. Overview of national practices

- Azerbaijan
- Georgia
- Montenegro
- Turkey
- Serbia

Managing statistical processes

	Azerbaijan	Georgia	Montenegro	Turkey	Serbia
10.1	Organization structure Methology unit Partial compliance	Organization structure Methology unit Do not have easy access to administrative data Partial compliance	Organization structure Methology unit Full compliance	Organization structure Methology unit Partial compliance	Organization structure Methology unit Partial compliance
10.2	Full compliance	Full compliance	You can not employ somebody when it is necceary Full compliance	You can not employ somebody when it is necceary Full compliance	You can not employ somebody when it is necceary Full compliance
10.3	Partial compliance	Geographical coverage is not complete Partial compliance	Geographical coverage is not complete Partial compliance	Partial compliance	Partial compliance
10.4	Do not have population register Partial compliance	Do not have population register Partial compliance	Do not have population register Partial compliance	Full compliance	Do not have population register Partial compliance
10.5	Full compliance	Full compliance	Full compliance	Full compliance	Full compliance

Managing statistical processes

	Azerbaijan	Georgia	Montenegro	Turkey	Serbia
11.1	Do not have costs for particular surveys Partial compliance	Do not have costs for particular surveys Partial compliance	Do not have costs for particular surveys Partial compliance	Do not have costs for particular surveys Partial compliance	Do not have costs for particular surveys Partial compliance
11.2	Partial compliance	Partial compliance	Only for projects and new surveys Partial compliance	Partial compliance	Only for projects and recently for new surveys Partial compliance
11.3	Partial compliance	Partial compliance	Partial compliance	Partial compliance	Partial compliance
11.4	Partial compliance	Partial compliance	Partial compliance	Partial compliance	Partial compliance
11.5	Partial compliance	Partial compliance	Full compliance	Partial compliance	Partial compliance
11.6	Full compliance	Do not have GSBPM model implemented Partial compliance	Full compliance	Full compliance	Full compliance

Managing statistical processes

	Azerbaijan	Georgia	Montenegro	Turkey	Serbia
12.1	Full compliance	Full compliance	Full compliance	Full compliance	Full compliance
12.2	We do not have documentation for all phases of GSBPM Partial compliance	We do not have documentation for all phases of GSBPM Partial compliance	We do not have documentation for all phases of GSBPM Partial compliance	We do not have documentation for all phases of GSBPM Partial compliance	We do not have documentation for all phases of GSBPM Partial compliance
12.3	We are not inform about changes in administrative sources Partial compliance	We are not inform about changes in administrative sources Partial compliance	We are not inform about changes in administrative sources Partial compliance	We are not inform about changes in administrative sources Partial compliance	We are not inform about changes in administrative sources Partial compliance
12.4	Full compliance	Full compliance	Full compliance	Full compliance	Full compliance
12.5	Because of 12.5.4 and 12.5.5 Partial compliance	Because of 12.5.4 and 12.5.5 Partial compliance	Because of 12.5.4 and 12.5.5 Partial compliance	Because of 12.5.4 and 12.5.5 Partial compliance	Because of 12.5.4 and 12.5.5 Partial compliance

Managing statistical processes

	Azerbaijan	Georgia	Montenegro	Turkey	Serbia
13.1	Because 13.1.6 Partial compliance	Because 13.1.6 Partial compliance	Because 13.1.6 Partial compliance	Because 13.1.6 Partial compliance	Because 13.1.6 Partial compliance
13.2	Full compliance	Full compliance	Full compliance	Full compliance	Full compliance
13.3	Full compliance	Full compliance	Full compliance	Full compliance	Full compliance
13.4	Partial compliance	Partial compliance	In process to implement web service Partial compliance	Partial compliance	Do not check quality data of administrative source regularly Partial compliance

11. Assuring cost-effectiveness (Weakness)

- 11.1 and 11.2 are not implemented (do not have cost-benefit analysis)
- 11.3 - do not have regular meetings by management on the usefulness of all statistics
- 11.4 –do not have centralised unit for methodology
- 11.5 – do not have quality reports for administrative data
- 11.6 applied only SDMX standard in all countries and other is in progress

Thank you!
