

Testing - WS.3 - A. Occupation and wage rate data sources

VALUING UNPAID HOUSEHOLD SERVICE WORK IN THE SNA COUNTRY QUESTIONNAIRE

A. Occupation and wage rate data sources

Instructions

This questionnaire focuses on availability of source data on wage rates associated with different occupations that may serve as input for valuing specific types of unpaid household services. The responses to this questionnaire will serve as input for the guidance note on [unpaid household activities](#) that is drafted as part of the update of the 2008 System of National Accounts.

For each question, please provide the answer by clicking the relevant check box or by typing in the framed textboxes, which will automatically expand to fit the text.

A printable version of the questionnaire is available for your convenience. If you have any questions, please contact: Chris Payne (chris.s.payne@ons.gov.uk), Jorrit Zwijnenburg (Jorrit.Zwijnenburg@oecd.org) or sna@un.org.

Please send your responses by 9 January 2023.

Please provide your information below:

Country _____
Institution/Organization _____
Name _____
Position _____
Email _____

Valuation of unpaid work using specialist wage rates

1A. Does your country have data available for wage rates by occupation?

- Yes
- No
- Unsure

1B. Please elaborate:

(End of Page 2)

Valuation of unpaid work using specialist wage rates (continued)

2A. Does the occupation classification align to the ISCO-08 Structure, Group Titles and Codes as set out in the resolution adopting ISCO-08, the classification structure?

- Yes
- No
- Unsure

2B. Please elaborate:

This Question is Conditionally Shown if: (1A = Yes)

3A. What are your data sources for wage rates by occupation (tick all that apply)

- Survey data
- Administrative data
- Web-scraped data
- Other, please specify _____

This Question is Conditionally Shown if: (3A (Survey data) = Selected)

3B. Briefly describe the data source as to - **Survey data** - (type of data source, frequency, timeliness, etc.)

This Question is Conditionally Shown if: (3A (Administrative data) = Selected)

3B. Briefly describe the data source as to - **Administrative data** - (type of data source, frequency, timeliness, etc.)

This Question is Conditionally Shown if: (3A (Web-scraped data) = Selected)

3B. Briefly describe the data source as to - **Web-scraped data** - (type of data source, frequency, timeliness, etc.)

This Question is Conditionally Shown if: (3A (Other, please specify) = Selected)

3B. Briefly describe the data source as to - Other - (type of data source, frequency, timeliness, etc.).

Theoretical application of wage rate data

4A. Does this data source allow you to identify wage rates for occupations which closely match the sub-categories of unpaid work described in the guidance note on the valuation of unpaid work as listed below (tick all that apply)

- Childcare
- Adult care
- Nutrition
- Transport
- Household management services
- Laundry and clothing services
- Organization-based volunteering
- Direct volunteering
- Shopping
- Information services
- Other unpaid household production not elsewhere classified

This Question is Conditionally Shown if: (4A (Childcare) = Selected)

4B. Please provide details on wage rates data regarding **Childcare**

Which suitable market equivalent occupation is available

Provide any international classification of occupation (ISCO) code if available

Is data available (Yes or No)? _____

If yes, what is the latest reference year for which mean and median data are available

For this reference year, please provide the median wage rate if available

For this reference year, please provide the mean wage rate if available

This Question is Conditionally Shown if: (4A (Adult care) = Selected)

4B. Please provide details on wage rates data regarding **Adult care**

Which suitable market equivalent occupation is available

Provide any international classification of occupation (ISCO) code if available

Is data available (Yes or No)? _____

If yes, what is the latest reference year for which mean and median data are available

For this reference year, please provide the median wage rate if available

For this reference year, please provide the mean wage rate if available

This Question is Conditionally Shown if: (4A (Nutrition) = Selected)

4B. Please provide details on wage rates data regarding **Nutrition**

Which suitable market equivalent occupation is available

Provide any international classification of occupation (ISCO) code if available

Is data available (Yes or No)? _____

If yes, what is the latest reference year for which mean and median data are available

For this reference year, please provide the median wage rate if available

For this reference year, please provide the mean wage rate if available

This Question is Conditionally Shown if: (4A (Transport) = Selected)

4B. Please provide details on wage rates data regarding **Transport**

Which suitable market equivalent occupation is available

Provide any international classification of occupation (ISCO) code if available

Is data available (Yes or No)? _____

If yes, what is the latest reference year for which mean and median data are available

For this reference year, please provide the median wage rate if available

For this reference year, please provide the mean wage rate if available

This Question is Conditionally Shown if: (4A (Household management services) = Selected)

4B. Please provide details on wage rates data regarding **Household management services**

Which suitable market equivalent occupation is available

Provide any international classification of occupation (ISCO) code if available

Is data available (Yes or No)? _____

If yes, what is the latest reference year for which mean and median data are available

For this reference year, please provide the median wage rate if available

For this reference year, please provide the mean wage rate if available

This Question is Conditionally Shown if: (4A (Laundry and clothing services) = Selected)

4B. Please provide details on wage rates data regarding **Laundry and clothing services**

Which suitable market equivalent occupation is available

Provide any international classification of occupation (ISCO) code if available

Is data available (Yes or No)? _____

If yes, what is the latest reference year for which mean and median data are available

For this reference year, please provide the median wage rate if available

For this reference year, please provide the mean wage rate if available

This Question is Conditionally Shown if: (4A (Organization-based volunteering) = Selected)

4B. Please provide details on wage rates data regarding **Organization-based volunteering**

Which suitable market equivalent occupation is available

Provide any international classification of occupation (ISCO) code if available

Is data available (Yes or No)? _____

If yes, what is the latest reference year for which mean and median data are available

For this reference year, please provide the median wage rate if available

For this reference year, please provide the mean wage rate if available

This Question is Conditionally Shown if: (4A (Direct volunteering) = Selected)

4B. Please provide details on wage rates data regarding **Direct volunteering**

Which suitable market equivalent occupation is available

Provide any international classification of occupation (ISCO) code if available

Is data available (Yes or No)? _____

If yes, what is the latest reference year for which mean and median data are available

For this reference year, please provide the median wage rate if available

For this reference year, please provide the mean wage rate if available

This Question is Conditionally Shown if: (4A (Shopping) = Selected)

4B. Please provide details on wage rates data regarding **Shopping**

Which suitable market equivalent occupation is available

Provide any international classification of occupation (ISCO) code if available

Is data available? _____

If yes, what is the latest reference year for which mean and median data are available

For this reference year, please provide the median wage rate if available

For this reference year, please provide the mean wage rate if available

This Question is Conditionally Shown if: (4A (Information services) = Selected)

4B. Please provide details on wage rates data regarding **Information services**

Which suitable market equivalent occupation is available

Provide any international classification of occupation (ISCO) code if available

Is data available? _____

If yes, what is the latest reference year for which mean and median data are available

For this reference year, please provide the median wage rate if available

For this reference year, please provide the mean wage rate if available

This Question is Conditionally Shown if: (4A (Other unpaid household production not elsewhere classified) = Selected)

4B. Please provide details on wage rates data regarding **Other unpaid household production not elsewhere classified**

Which suitable market equivalent occupation is available

Provide any international classification of occupation (ISCO) code if available

Is data available? _____

If yes, what is the latest reference year for which mean and median data are available

For this reference year, please provide the median wage rate if available

For this reference year, please provide the mean wage rate if available

5. Do you have any (further) comments regarding the use of wage rate data for valuing (specific types of) unpaid household services?

6. In order to maximize transparency, we would like to publish responses to global consultations.

Do you give consent that your response to this questionnaire can be published?

- Yes
- No
