

1993 SNA – Updates

Type of update: CHANGE

Two main changes have been made to the *System of National Accounts 1993* which have been incorporated in the text of the online PDF version of the *1993 SNA*:

1. The functional classifications that have affected chapter XVIII and annex V.
2. The treatment of financial derivatives that has affected the text in many chapters.

Below is the list of all paragraphs that have been changed. The original text of the changed paragraphs can be found in the Supplement available online in PDF format.
