Issues and challenges

• Staff shortage, capability in the implementation of main short term indicators statistics
• Lack of quarterly basic statistics on administrative form line ministers, and the coverage of the data source
• Timeline from the administrative data
Future Plan

• Develop the annual indicator to quarterly base on the Strategies for Development of the National Statistical System (SDNSS) 2010-2020.

• Collected and Improve the data collection Enterprise/Establishment in quarterly to support QNA and PPI compilation 2016 forward

• Develop the annual indicator to quarterly and adapted the international manual and guideline.

• Enhance staff capacity building on statistics using different means
Thank you
