Part I: General comments

In the space below, please provide any general comments. This may cover e.g. the structure of the chapter, issues missing and (lack of) consistency with other chapters of the 2008 SNA.

General comments:

General comment	There is an inconsistency between the title of this chapter " Non-profit institutions in the SNA " and the fact that parts B an C describe the essentials features of a satellite account on NPI which – as states in 23.12 - has a different definition of NPIs. It should be considered to call the chapter "Non-profit institutions"

You are welcome to make other specific comments. To assist you in doing so, the following points are provided as a guide to the types of points on which you might wish to comment. Note, though, that you are not restricted to commenting on only these points.

1. Is the scope and purpose of the satellite account clear?
2. Are the three alternative valuations of output of NPIs in the satellite account clear?
3. Are there any other issues that should be added to section D?
