Comment:

The new paragraphs are clear.

Part II: Comments on specific draft paragraphs or passages

In your review of this Add.1, you may wish to devote particular attention to the passages listed below. For ease of reference, we have identified the relevant paragraphs. For the passage, a Word table is provided for you to use in making your comments. There is a row for general comments at the top of the table. Thereafter please use a separate row for each paragraph on which you wish to make detailed comments.

1. Paragraphs 7.101-7.109 of the revised text shown in Add.1 outline the key features of interest as property income payable on a specific set of financial instruments. Is the discussion clear? Are there any other general features concerning interest that should be incorporated into chapter 7 as well as in chapter 17, which elaborates on how interest is calculated on these specific instruments? (Please reference the relevant paragraph numbers in chapter 17 in your comment.)

General comment	The definition on interest should be harmonized with that of BPM6.
7.101	Further elaboration to include fees on securities lending and gold loans as they are also treated as interest.
