Venue

Schönbrunn Palace Conference Centre –
a historic ambience for modern ideas

The Conference Centre is located in the former Apothecaries Wing on the east side of the extensive Schönbrunn palace grounds, which is a world cultural heritage site since 1996.

Following two years of building and renovation, conference and event rooms of various different sizes have been created. Access to a leafy inner courtyard and to the green Orangery Garden provides for “fresh air” breaks during the focused intensity of our conference.
