GENERAL INFORMATION

Immigration Requirements

Participants should contact relevant United States of America embassies or consulates on visa requirements, and obtain the appropriate entry permit where necessary as early as possible.

The official notification letter is generally sufficient to be used as supporting documentation for visa (entry permit) request. Please contact us, should there be any issues with obtaining visa for the purpose of attending this event.

Money

The majority of ATMs (Automated Teller Machines) networks in New York City are linked to a network that most likely includes your bank at home. Hence, you would be able to make a cash withdrawal if you have a cash card (ATM Card) that offers **Cirrus** (<http://www.mastercard.com/atmlocator/index.jsp>) or **Plus** (www.visa.com/atm), the 2 most popular networks. There are fees and daily limits associated with withdrawing money using the above networks. Please check with your bank at home for this information.

Traveller's cheques are another good and safe alternative. Be sure to keep a record of their serial numbers, so you are ensured a refund in case they are lost or stolen. The 3 most popular traveller's cheque providers are **American Express** (American Express branches, www.americanexpress.com), **Visa** (Citibank branches), **MasterCard** (Thomas Cook Currency Services).

Credit Cards are a convenient way to pay for transactions. **American Express**, **Visa** and **Master Card** (among others) are accepted virtually everywhere in New York.

Hotels

Arrangements for hotels need to be made by individual participants (or their Mission) at hotels of their own choice. A list of hotel in the vicinity of the UN is provided below.

Please note that a credit card is normally required to make a reservation, participants should plan accordingly.

Participants can contact hotels directly and make reservations. Participants can also contact your country's Mission to the United Nations which may be able to assist you (contact details for missions can be found at <http://www.un.org/en/members/>). Participants should make the necessary reservations at least one week prior to the event.

LOCAL TRANSPORTATION

Subway and buses (<http://www.mta.info/>) are a convenient way to get around Manhattan. **Metro Card** valid for subway and bus can be purchased at subway stations.

- Single: trip fare is \$2.75.
- 7-Day Metro Card costs \$31.00 (unlimited ride for one week for one person)

Yellow Cab Taxis are readily available around Manhattan. Taxis are a safe alternative for late night travel when train and buses can be few and far between. It is advisable not to take taxis without meters (illegal taxi), as they could charge exorbitant fares. Taxi fees can be paid in cash or credit card, however, if paying in cash, it is a good idea to have small bills because taxi drivers usually cannot change anything higher than \$20. While taxis are relatively expensive for a single person, they are more affordable with 3 or more riders. The rates for taxis are as follows:

Initial fare.....	\$2.50
Each 1/5 mile (4 blocks)....	\$0.50
Each 1 minute idle.....	\$0.40
Night surcharge.....	\$0.50 (after 8:00 p.m. until 6:00 a.m.)
Additional riders.....	FREE

Pay only what's on the meter, plus a 15-20 per cent gratuity. On all trips within New York City, any bridge and tunnel tolls to the destination shall be paid by the passenger, who shall be so informed before the start of the trip. On all trips within the City of New York, return tolls shall not be charged except for trips over the Cross Bay Veterans, Marine Parkway-Gil Hodges Memorial, and Verrazano Narrows Bridges. On trips beyond the City of New York, all necessary tolls to and from the destination shall be paid by the passenger. There are additional charges for crossings outside the metropolitan area and New Jersey. Passengers are required to pay one way.
