

**THE FORTY-NINETH SESSION OF THE UNITED NATIONS STATISTICAL
COMMISSION,
6 - 9 MARCH 2018, UNITED NATIONS, NEW YORK**

Environment statistics	
E/CN.3/2018/31 Report of the Secretary-General on environment statistics	<p>Thank you Mr/Madame honorable chair and distinguished delegates, Ladies and Gentlemen. Malaysia would like to welcome the report and it is our pleasure to give our view on the document put forward by the secretariat.</p> <p>First and foremost, we acknowledged the implementation of the Framework for the Development of Environment Statistics (FDES). Malaysia also supports an effort made by the expert group on finalizing the methodological sheets of the manual on the Basic Set of the Environment Statistics and implementation of the Environment Statistics Self-Assessment Tool as guidance documents to facilitate countries in compilation of environment statistics. Malaysia also supports the work done by the committee for their works to support countries in implementing this framework in countries worldwide.</p> <p>In this relation, Malaysia in the process of adopting the FDES 2013 in the compilation of environment statistics for the Compendium of Environment Statistics, Malaysia.</p> <p>Thank you Mr/Madame Chair [Thank you for your attention]</p>
