3/12	The committee held a special session ... the committee agreed to continue its work on new approaches to capacity development and to extend ways how to best bring its work in this area to attention of the High level Group Partnership, ...possibly through issue partners.	The new approach should include technical assistance and guidance up to a certain stage of implementation.
4/15	The Committee discussed open data policies ... a document outlining the feasibility for members to move towards common data standards. ...	The discussion hopefully considering variety government policy style that may affect the implementation of the common open data standard.
