

## Invitation: Side Event to the 49th Session of the United Nations Statistical Commission

For millions of children, the extent to which the world delivers on the SDG promise will determine the course of their lives – and their lives determine the future of this planet. But two years in, are we on track to achieve the SDGs for children? Do we even have enough information to know?

We invite you to join us for a **report launch and reception for UNICEF's flagship publication "Progress for every child in the SDG era."** The report assesses the world's performance to date, focusing on key indicators that directly concern 2030's most important constituency: children.

**When:** Wednesday, March 7, 2018; 6:00 PM to 9:00 PM

**Where:** Japan Society, 333 East 47th Street (between 1st & 2nd Ave.), New York, NY 10017

**Hors d'oeuvres and wine will be served.**
