

NO.	9
CODE	E/CN.3/2019/9
ITEM	Report of the International Monetary Fund on the review of the Task Force on Financial Statistics and its sub-structures
POINT OF DISCUSSION	To express its views and provide guidance on the proposed new simplified structure and migration of the work programme on finance statistics.
MALAYSIA'S FEEDBACK	
<p>Thank you very much Mr./Madame Chairperson, ladies and gentlemen.</p> <ol style="list-style-type: none"> 1. Malaysia welcomes the proposed new simplified structure and migration of the work programme as proposed in the paper. 2. Malaysia has compiled the International Investment Position Statistics and Balance of Payments Statistics according to Balance of Payments Manual sixth edition (BPM6). 3. As an IIP statistics compiler, Malaysia ensures that the number financial stock statistics is consistent with External Debt Statistics (EDS) statistics release by Central Bank. 4. Malaysia is looking forward to be part of inter-secretariat or taskforce of Balance of Payments Statistics to provide our expertise and also to gain knowledge from the committee which relates to debt statistics. <p>Thank you Mr/Madame Chair. (Thank you for your attention)</p>
