

United Nations Statistical Commission

Fifty-second session

1–3 and 5 March 2021

Item 3 (a) of the provisional agenda

Items for discussion and decision: data and indicators for the 2030 Agenda for Sustainable Development

Document E/CN.3/2021/4 – Report of the High-level Group for Partnership, Coordination and Capacity-Building for Statistics for the 2030 Agenda for Sustainable Development

Statement provided by:

Institute of Statistics, Albania

Statement:

Albania welcomes the report by the High-level Group for Partnership, Coordination and Capacity-Building for Statistics for the 2030 Agenda for Sustainable Development. Albania considers data stewardship initiative very relevant and important and as an opportunity to enhance the coordination role of National Statistical Offices in the data ecosystem and with governmental bodies. Albania approves the way forward to develop guidance for national statistical offices on issues related to data stewardship, including the establishment of a working group within the Commission as presented in the annex 4 of the document. Albania would like to use the opportunity to express the interest on joining the working group to share our experience with the data stewardship.
