

United Nations Statistical Commission

Fifty-second session

1–3 and 5 March 2021

Item 3 (a) of the provisional agenda

Items for discussion and decision: data and indicators for the 2030 Agenda for Sustainable Development

Document E/CN.3/2021/4 – Report of the High-level Group for Partnership, Coordination and Capacity-Building for Statistics for the 2030 Agenda for Sustainable Development

Statement provided by:

Central Agency for Public Mobilization and Statistics (CAPMAS)

Arab Republic of Egypt

Statement:

- Egypt appreciates the work of the high-level group and agrees to adopt the team's proposed work plan for 2021.
- CAPMAS works to improve data for sustainable development, and this is through preparing periodic reports to follow up sustainable development goals indicators and participate in providing indicators for the voluntary reports.
- The second statistical report to follow up the SDGs indicators monitors the current status of indicators with an availability rate of 47.5% and highlights the gaps for accurate, timely and comparable access, and we are on the process of launching the third statistical report.
- Also Egypt joined the working group responsible for follow up OECD mechanism of official support for sustainable development (TOSSD Team)
