<td>Spain thanks for the background document “Approaches to data stewardship”, supports the work forward on data steward and the establishment of a working group to study further this topic and make recommendations for NSIs. In this sense, we think it is important to take into account the work carried out by CES-UNECE and Eurostat.</td>

| Spain thanks for the organization of the virtual World Data Forum in 2020 and appreciates the preparation of the third United Nations World Data Forum in Berna. We are in favor of the Virtual Forum outcome statement “Global data community’s response to COVID-19: data for a changing world”.
