Statement provided by:
Colombia on behalf of the Latin American countries of ECLAC

Statement:
The region recognizes and congratulates the work carried out by the IAEG-SDG, highlighting the fundamental role to guarantee the due follow-up and fulfillment of the 2030 Agenda. Expresses that, despite the effects of the COVID-19 pandemic and other great challenges, the region has achieved significant progress in the implementation of the SDGs. However, there are statistical operations that were postponed or suspended and that it will be necessary to recover as soon as possible.

Highlights the importance of strengthening the dissemination strategy in relation to the indicator update processes as well as the development of tools in Spanish, as one of the official languages.
