

United Nations Statistical Commission

Fifty-second session

1–3 and 5 March 2021

Item 3 (a) of the provisional agenda

Items for discussion and decision: data and indicators for the 2030 Agenda for Sustainable Development

Document E/CN.3/2021/2 - Report of the Inter-Agency and Expert Group on Sustainable Development Goal Indicators

<i>Statement provided by:</i> SWEDEN	
<i>Statement:</i> Sweden takes note of the report from the IAEG-SDG and commends the group for yet another year of great achievements. Sweden appreciates the background documents that are useful tools for countries and organisations to use in their analyses of the implementation of the 2030 Agenda. Sweden supports the adoption of the proposed refinements of nine indicators which contribute to the clarity in the framework. Sweden approves of the proposed work programme for the group and would in connection to this want to highlight the common statement transmitted by Denmark on behalf of Armenia, Canada, Denmark, Germany, Ghana, Ireland, Poland, Portugal, USA and Sweden relating to data flows.
