

United Nations Statistical Commission

Fifty-second session

1–3 and 5 March 2021

Item 3 (a) of the provisional agenda

Items for discussion and decision: data and indicators for the 2030 Agenda for Sustainable Development

Document E/CN.3/2021/3 – Report of the Secretary-General on work for the review of progress towards the Sustainable Development Goals

Statement provided by:

Central Agency for Public Mobilization and Statistics (CAPMAS)

Arab Republic of Egypt

Statement:

- **CAPMAS established a database of Sustainable Development Goals indicators in cooperation with UNICEF, in addition to the mobile application.**
- **CAPMAS launched two reports to monitor and follow up the SDGs indicators. The second report shows the availability of 116 indicators out of a total of 244 indicators.**
- **CAPMAS is in the process of issuing a Sustainable Development Atlas to display data for 25 indicators by governorates.**
- **In this context, CAPMAS supports and appreciates the effort made by the Statistics Division and the progress made to achieve the SDGs.**
