**Document E/CN.3/2021/5 – Report of the Committee of Chief Statisticians of the United Nations System on coordination within the United Nations statistical system**

<i>Statement provided by:</i> Batdavaa Batmunkh, CFA Chairman The National Statistics Office of Mongolia	
<i>Statement:</i> Mongolia welcomes the System-wide Road Map for Innovating United Nations Data and Statistics as a solid commitment of the United Nations system to strengthen coordination and modernize United Nations statistics and data, and to invite the Committee to prioritize its implementation.  Mongolia highly appreciates the work of the Committee for the Coordination of Statistical Activity. Publications “How COVID-19 is changing the world: a statistical perspective” are invaluable. Mongolia is supporting the activities on SDG and geospatial applications, and looking forward to next publications from the Committee.
