Document E/CN.3/2021/5 – Report of the Committee of Chief Statisticians of the United Nations System on coordination within the United Nations statistical system

Statement provided by:

Russian Federation

Statement:

The Russian Federation commends the efforts of the Committee of the Chief Statisticians aimed to improve coordination within the United Nations statistical system and increase its effectiveness.

We welcome the adoption of the System-wide Road Map for Innovating UN Data and Statistics as a solid commitment of the UN system to strengthen the coordination and modernize UN Statistics and Data.

The Russian Federation notes the relevance of the Road Map for implementation of the provisions of Economic and Social Council resolution 2020/5 and endorses priority areas selected by the Committee.

We take note of the Report of the Committee for the Coordination of Statistical Activities.
