

United Nations Statistical Commission

Fifty-second session

1–3 and 5 March 2021

Item 3 (e) of the provisional agenda

Items for discussion and decision: business and trade statistics

Document E/CN.3/2021/9 – Report of the Committee of Experts on Business and Trade Statistics

<i>Statement provided by:</i> National Statistical Committee of Kyrgyz Republic	
<i>Statement:</i> The National Statistical Committee of the Kyrgyz Republic welcomes and supports the following decisions and initiatives taken by the Committee of Experts: - on the launch of the revision of the 2010 "International Merchandise Trade Statistics: Concepts and Definitions" and the 2010 "Manual on International Trade in Services Statistics"; - on the creation of a new task force to coordinate a joint research program in the fields of business statistics and international trade statistics, and related processes and mechanisms for revising trade-related standards, in consultation with other statistical groups dealing with national accounts, payment balance and international classifications ... The current Guidelines are the main recommendation aids for compilers of statistics (including statisticians of the Kyrgyz Republic), which helps in understanding and constructing statistics of international trade in goods and services at the national level in accordance with international standards.
